Thinking now about immigration reform...

T4. As you may know, the House of Representatives is beginning to consider different immigration reform proposals. One option is legislation that would significantly increase border security, block employers from hiring undocumented immigrants, and make sure that undocumented immigrants already in the U.S. with no criminal record register for legal status. If immigrants were to meet a list of requirements, they could eventually apply for citizenship. Knowing this information, would you support or oppose this legislation?

Total Support	72%
Total Oppose	23%
Strongly Support.....	41%
Somewhat Support.....	31%
Strongly Oppose	11%
Somewhat Oppose.....	12%
Unsure or no opinion.....	5%

T5. Would you support or oppose an immigration reform plan that ensures undocumented immigrants currently living in the U.S. pay a penalty, learn English, pass a criminal background check, pay taxes, and wait a minimum of thirteen years before they can be eligible for citizenship?

Total Support	63%
Total Oppose	34%
Strongly Support.....	36%
Somewhat Support.....	27%
Strongly Oppose	18%
Somewhat Oppose.....	16%
Unsure or no opinion.....	3%

T6. If the Republicans in the House do not pass an immigration reform bill this year, would you be more or less likely to vote for a Republican candidate in the 2014 general election, or would it not make a difference in your decision?

More Likely32%
Less Likely.....33%
No Difference31%
Unsure or no opinion.....4%

T7. If your Congressman Mark Amodei worked with other Republicans and Democrats to pass an immigration reform plan that ensured undocumented immigrants currently living in the US pay a penalty, learn English, pass a criminal background check, pay taxes and wait a minimum of thirteen years before becoming eligible for citizenship, would you have a more favorable or less favorable opinion of Mark Amodei, or would it not make a difference in your opinion of him?

Total More Favorable36%
Total Less Favorable.....28%
No Difference31%

Much More Favorable.....26%
Somewhat More Favorable..... 10%

Much Less Favorable..... 17%
Somewhat Less Favorable 11%

Unsure or no opinion.....5%

T8. For statistical purposes, are you a man or a woman?

Female52%
Male48%

T9. Which of the following age groups applies to you?

18-34 11%
35-44 12%
45-54 19%
55-6425%
65 plus.....33%

T10. For statistical purposes only, what is your race? Press 1 if you are white, press 2 if you are Hispanic or Latino, press 3 if you are black or African American, press 4 if you belong to another ethnic group.

White.....81%
Hispanic or Latino.....11%
Black or African American2%
Other ethnic group.....6%

Survey Methodology

This survey was conducted using automated telephone touchtone technology. The sample used for this survey was randomly drawn from a Nevada CD02 voter file. The survey response data was weighted based upon voting demographics from past Nevada CD02 general election cycles. The interviews were conducted on October 16th and 17th, 2013. Three attempts were made to interview each household in the sample. This survey has a margin of error of 3.77% at the 95 percent confidence interval.
